

Increased Valuation Protection Election Form

Lausch's Moving Company, is required by the P.U.C. (PA Public Utility Commission), our state regulatory agency, to carry loss protection in the amount of \$.60 per pound per article through the completion of the move. If loss occurs, and you have not elected to purchase additional coverage, you will be paid accordingly (the weight of the item x \$.60). The contents of any container not professionally packed by Lausch's Moving Company will not be covered.

You are required to sign this form before your move begins. If you elect to purchase additional protection, called Increased Valuation or Full Replacement Value Protection. This protection will cover your items at replacement value up to the amount that you specify at or above the minimum amount. This type of protection will cover your items at today's cost and also covers antique items at fair market value. **IMPORTANT NOTE-** Increased Valuation covers items that are a loss, beyond repair, not repairable damage. Repairable damage will be addressed on a case-by-case basis. **Lausch's is only responsible for damage that is due to mover negligence, not normal wear and tear. If the Lausch's crew supervisor in charge of your move would find that an item may be very difficult or impossible to maneuver to a particular place in your home, we will also not be held responsible. If this is the case, our supervisor may ask you to sign a waiver if you would like our crew to attempt the move, and the supervisor feels that there is no danger to the crew.**

The cost for Full Replacement Value Protection is \$10.00 per \$1000.00 of coverage with a minimum of \$30,000.00 (carries a \$250.00 deductible). Arrangements for additional coverage must be made prior to your move date and will appear on the Bill of Lading. If you do not elect to purchase Increased Valuation before your move you forfeit any and all rights to extra coverage above \$.60 per pound.

Lausch's Moving Company will not be held responsible for damages to any flake/particle board-type furniture that was purchased unassembled in a box or otherwise, and assembled in the residence or business place, or the like. This furniture is **NOT designed to endure a move without the risk of damage. You may choose to disassemble these types of items prior to the move to decrease the risk of damage. Increased Valuation does **NOT** include repair or replacement of these items.**
